

DAIRA TAHA YASSIN

JOB TITLE

Profile

"I'm a 21-year-old graduate with a Bachelor's degree in Technology from a Russian university. My educational journey began in Moscow, where I delved into the realm of healthcare, sparking a passion for making a difference in people's lives. Now, I find myself pursuing further studies in Tunisia, driven by the goal of advancing my skills and knowledge to pave the way for a promising future in the United States upon graduation."

Education

● 2017 - 2021	technology bac, kef a normal high school education in tunisia
● 2021 - 2023	chemicalss mendeleev university, moscow a fun but hard experience
● 2023 - 2023	healthcare synergy learning , moscow didn't like it wasn't for me but also was a nice experience
● 2024 - Present	web development dojo coding, ariana still learning love the class and the team everything going alright
